PRESIDENT'S MESSAGE — NOVEMBER 2022

IT'S TIME TO START RENEWING YOUR MEMBERSHIPS FOR 2023!!!

New members, join now as we are waiving the new member initiation fee for 2023! What are you waiting for?

Circle City Flyers is the most fun you'll have all year for only \$75!!!

The best place to renew your CCF membership is on our website:

www.circlecityflyers.com

Renew your AMA here: www.modelaircraft.org/membership/enroll

Renew your FAA here: <https://faadronezone.faa.gov/>

Circle City Flyers Facebook Page: <https://www.facebook.com/groups/circlecityflyers>

Reminder that the CCF Christmas & End-of-Year Holiday Party is Saturday December 10th at Deleo Field at 12 noon. Lunch, drinks & RAFFLE will be the highlights. A member's immediate family is also welcome to join us! The party in December will be in lieu of a December board meeting. Hope to see everyone on the 10th!!!

The FAA has now recognized the AMA as a CBO (Community Based Organization). Now the AMA is going to start getting all its clubs' flying sites registered as FRIA's (FAA-Recognized Identification Area) so flying at Deleo Field won't require Remote ID modules. Your board will fill out the FRIA form and complete the process for CCF. We should be good to go by September 2023 when the FAA's Remote ID rules go into effect.

Your 2023 Board of Directors was voted on and approved at the November meeting. Since no new members volunteered to run, your board will remain unchanged for next year. Current incumbents - President: Rick Tucker; Vice President: Eric Whitcomb; Secretary: Ethan Marsh; Treasurer: Don Ralston; Member-At-Large: Travis Bonnar. Erich Ische will continue in the role of Webmaster and will take over for Ed Bialon as Newsletter Editor. I want to recognize Ed Bialon for his many years of dedicated service as Newsletter Editor and for his steadfast dedication to CCF. Every month he put out a professional & polished newsletter that always highlighted how wonderful and inviting our club is. As he prepares to move out of state, I want to send him a HUGE - THANK YOU! - for all his years of service to CCF. Thanks Ed & we wish you well!!!

Ed Bialon, Editor

Circle City Flyers is a group of people who love RC flying.

Normal folks, who find the utmost joy in creating and flying wonderful machines that inspire awe and put just a bit of color in the sky.

CCF is a non-profit, AMA affiliated flying club.

The CCF has one of the best flying facilities in Southern California. We are located just south of Corona, California, just a few minutes from the 15 Freeway.

The club is well established and member's interests range from helicopters to 3D Planes. We fly gas, turbines, electric, glow, scale, profiles and combat wings. We have RC pilots who have flown for 40+ years, and beginners who are just learning the joys of flight. Got a question? Just learning? Curious? Come on down!

You can find folks flying most days, with the weekend mornings being very popular. Mornings are calm with winds generally increasing throughout the day.

Come to our field, and check us out! Visit our website at:
