PRESIDENT'S MESSAGE — NOVEMBER 2019

HAPPY THANKSGIVING, MERRY CHRISTMAS, HAPPY HOLIDAYS & HAPPY NEW YEAR!!!!

The CCF Christmas Party is scheduled for Saturday, December 7th at 6pm. To celebrate this year, we have booked a private room at Graziano's Corona located at 333 Magnolia Avenue in Corona. Graziano's is in the same parking lot as Hobby Town USA. The club will be paying for pizza, pasta, sodas & cookies for every member plus one guest. We intend to have an awesome Christmas Party raffle like we always do so please, if you have anything to donate to the club raffle please bring your donation to the party. I hope to see you ALL there!

The 2020 CCF board elections took place at the November meeting. The results were Rick Tucker-President, Eric Ische-VP, Ethan Marsh-Secretary, Don Ralston-Treasurer and Jeff Lucas-Member at Large. Thank you everyone who participated in the election. We had a great 2019 with two successful events & we added a few new members. We are looking forward to next year.

Members at the November meeting also voted to continue to waive the initiation fee for new members in 2020.

Remember that starting with 2020 member renewals, CCF will REQUIRE your FAA registration info AND an AMA membership to renew CCF club membership next year. Several clubs were already shut down due to violations of the FAA requirement so the board is being proactive with this requirement. It's only \$5 for 3-years of FAA registration so this should be a non-issue for pilots. Go to this website to register: <https://faadronezone.faa.gov>

If you haven't made you 2019 \$50 slurry fund donation yet, we will be able to take them at the Christmas party. Slurry is by far the biggest expense our club endures & we WILL NOT get there on dues alone. Your landing strip depends on it!

There will be no December club meeting. See you all at the Christmas Party!

On final approach - Rick

Circle City Flyers is a group of people who love RC flying.

Normal folks, who find the utmost joy in creating and flying wonderful machines that inspire awe and put just a bit of color in the sky.

CCF is a non-profit, AMA affiliated flying club.

The CCF has one of the best flying facilities in Southern California. We are located just south of Corona, California, just a few minutes from the 15 Freeway.

The club is well established and member's interests range from helicopters to 3D Planes. We fly gas, turbines, electric, glow, scale, profiles and combat wings. We have RC pilots who have flown for 40+ years, and beginners who are just learning the joys of flight. Got a question? Just learning? Curious? Come on down!

You can find folks flying most days, with the weekend mornings being very popular. Mornings are calm with winds generally increasing throughout the day.
